2. Items or Events of Major Interest that have Occurred During  
the Preceding Week:

a. New Building: As a result of commitments made at the public meeting of 28 June 1983, letters have been sent to the McLean Citizens Association and the Park Service requesting representatives to sit on an advisory committee to assist in developing an acceptable road design. At the request of the Virginia Department of Highways and Transportation, a letter was forwarded requesting traffic studies and design concepts be expanded to incorporate parkway improvement.

b. LIMS Post Award Conference: On 27 June 1983, [redacted] hosted a Post Award Conference to formally initiate the Software Development of a Logistics Integrated Management System (LIMS), to support the Offices of Logistics and Finance. [redacted] and the Government concluded final cost negotiations on 23 June 1983, which resulted in a total estimated Cost-Plus-Award-Fee in the amount of \$11,200,000. The Director of Logistics and key representatives of the Office of Finance were in attendance and expressed their desire to see the development of LIMS completed on time, at target cost and with cooperation and mutual understanding between both Government and

c. Renovations to Reception Area at Ames Building: The renovations to the reception area of the Washington Area Recruitment Office, Office of Personnel, at Ames Building were stopped on Thursday, 30 June, by an Arlington County building inspector. Dominion Management Corporation did not have the proper permit, and the construction plans for the renovations had not been reviewed by the County. The problem has been corrected and work will start again on Thursday, 7 July.
